September 6, 2016 (JOINT MEETING)

The Commission and its Community Programming Committee met jointly at 6:30PM on September 6 at Green Media Center. In attendance were Commissioners Anne Dziuba, the chairperson of the committee, Jim Endres, Harvey Gersin, John Horger, Suzanne Levine, and Deborah Macon. Also in attendance was Commissioner Lawrence Brown and Commission Executive Director Dave Albery. Not in attendance were Commissioners Benavides, Grogan, Kowalsky, Krause, and Walters.

Members reviewed a report of 2016 Civic Center TV programming.

Mr. Albery reported that meetings of the Oakland County Commission continue to include poor quality audio and therefore cannot be cablecast on Civic Center TV.

Members reviewed the report of a program evaluation done by committee members in July and discussed revision of the evaluation instrument and report format, including a way to connect the question responses and optional comments. The committee agreed to use the revised instrument to undertake evaluations of three Civic Center TV programs for its October 4 meeting.

The committee reviewed the information it is submitting to the Commission Operations and Strategic Planning Committee as part of the Commission's strategic planning initiative and made minor revisions.
